Welcome to our visitors WARE FOOTBALL CLUB

History

The Club was founded in 1892 and although first called Ware Town soon changed its name to plain Ware FC. This unassuming title makes it probably the shortest named affiliate of the Football Association and has caused problems for programme editors and journalists ever since.

In fact, the Club has been anything but unassuming. It has held senior status from its very beginning, entering the Herts Senior Cup for the first time in 1893, and winning the cup on the first of five occasions in 1899 with a 2-1 win over Hitchin at St Albans. By this time Ware had been instrumental in founding the East Herts League and had won its championship on two of the three times it had been competed for. The club was to win it five more times before moving on to the North Middlesex League in 1907 and then also to the Herts County League in 1908. The Championship of the latter came that season in a three-way play off against St Albans City and Welwyn.

After the First World War the Club gained a league and cup double with a second Herts County League Championship and a fourth Herts Senior Cup win in 1922. The scenes in Ware when the team returned with the Senior Cup tell us something about the hold that football had on local loyalties at the time. The local paper reported that "Large crowds awaited the return of the special train to Ware, everybody being in high

spirits. The Cup was marched through the town in front of a cheering throng." Indeed, it was later recalled that the cup was taken through the town on subsequent nights and that stops were made outside public houses where it was charged with beer before being drained by the crowd.

Shortly after this Ware joined the Spartan League in which they were to enjoy several successes, winning the Division 2(B) Championship in 1926, Division 1 in 1951 with the highest "goals for" total ever achieved by a club in the Spartan League, and the Premier Division in 1952. In these later years the Club also made significant progress in the old Amateur Cup meeting many famous sides on the way. One of these was Hendon, against whom Ware drew their largest attendance of 3,800 in the 1st Round in January 1957.

Moving on to the Delphian and then Athenian League, Ware enjoyed another successful period. Two promotions, two league cup wins and two reserve championships paved the way for progress in the FA Cup. In this Ware reached the First Round proper for the first time in 1968 when they travelled to the then Third Division side Luton Town. The opposition had a 100% home record but the game was scoreless with 30 minutes to go before a judicious substitution broke the stalemate and left Ware beaten 6-1 at the final whistle.

In these successful circumstances it was not surprising that Ware pressed for entry to the expanding Isthmian League. This was achieved for season 1975/76 and they have maintained their place at that level ever since. This is thanks most recently to their Division 2 Championship season of 2005/6 under manager Glen Alzapiedi which carried them into Division 1 just before Division 2 was disbanded. Alzapiedi's side brought further distinction with another FA Cup First Round appearance in 2007 which saw a narrow home defeat against Kidderminster Harriers in front of 2,123 spectators, a record for the current ground at Wodson Park.

JON STEVENSON - COACH

KEVIN KUHN - COACH

MICHAEL BARDLE - COACH

HARRY RICKETTS - GOALKEEPER

Harry is in his second spell with the club having joined us originally in season 2009/10 when he made 25 appearances before leaving to join Waltham Abbey.

He went on to other clubs, most notably Hertford Town with whom he spent the best part of three seasons but has rejoined Ware for 2018/9.

CHARLIE YEXLEY - DEFENDER

Charlie originally joined us on loan from Dagenham & Redbridge, making his debut in the 1-1 draw at Cray Wanderers on 14th December 2014.

After scoring an excellent winning goal in the home game against Thamesmead Town Charlie's season became blighted by injury and his five appearances in 2014/5 were a poor reflection of his value as a player. Charlie fell off our radar after that but rejoined us at the turn of 2018 and soon re-established himself as an ever present in the first team.

DOMINIQUE NJOYA - DEFENDER

Dom is a left back who made his debut for Ware in the 1-0 win at Witham on 27th January 2018. Since then he has played a full part in the back four and is now an ever present in the side.

GARETH MADDEN - DEFENDER

Gareth made his first appearance for Ware from the subs bench in the 6-1 Herts Charity Cup defeat at Bishop's Stortford on 7th August 2013. He went on to make 72 appearances in the next two seasons and scored 2 league goals. He rejoins us from Waltham Forest and now captains the side. He has now made over 100 appearances for Ware.

WARE FC PEN PIC'S

BRADLEY FRASIER - DEFENDER

Centre back Bradley joined us from Hoddesdon Town but has represented Ware briefly in the past. He made four consecutive appearances in 2012/3, scoring a goal in the 4-3 defeat to Maldon & Tiptree but is now a regular in the defensive line up.

LOUIS BROWN - DEFENDER

A central defender who joined us from Hoddesdon Town. He played his first game in the 2-0 away victory at Romford on January 17th 2018 and, barring injury, was a regular in the back four for the rest of the 2017/8 season.

JASON BROWN - DEFENDER

ALLA OUJDI - DEFENDER

Alaa came off the subs bench to make his debut for the club in the 6-2 win at Erith & Belvedere on 11th March 2014. It was his only appearance that season which may surprise those who later came to see him as a permanent fixture in the first team.

He reached 150 appearances on 11th November 2017 and is now well on his way to 200.

BILLY BAIRD - DEFENDER

WARE FC PEN PIC'S

ALBERT ADU - MIDFIELD

Albert's first game for the club was as a substitute in the league cup game at Cheshunt on 14th January 2014. It was Albert who scored our goal in the 1-1 draw (we won the penalty shoot out 9-8). Coincidentally his last game was also a 1-1 draw in which he scored our goal at Chatham in the league on January 10th 2015. That brought his total for the club to 14 in 52 appearances (four as a substitute). He has now rejoined us from Tvøroyrar Bóltfelag in the Faroes league and more recently Mandel United in Belgium.

JACK DEVENEY - MIDFIELD

Having spent a large part of his footballing career with Waltham Abbey, midfielder Jack has now joined Ware and is fast becoming recognised as a key player by supporters.

DAVE COWLEY - MIDFIELD

The experienced midfielder made his debut in the 1-0 derby victory over Hertford on March 17th 2018. His former clubs include AFC Sudbury, Grays Athletic, Harlow Town and Thurrock but he has also had experience in Spain and started out with West Ham United.

BEN HART - MIDFIELD

A wide midfielder who signed for Ware for the start of 2018/9. He has previous experience with Hoddesdon Town and three seasons at Harlow Town.

LOUIS ROSE - MIDFIELD

Brother to Leigh, Louis made his debut on the 14th August 2012 in a 1-0 Charity Cup defeat at Potters Bar. Louis made 32 appearances in his first spell with the Blues.

WARE FC PEN PIC'S

LEIGH ROSE - MIDFIELD

First played for Ware on the opening day of 2011 in a 3-1 defeat at Cheshunt. After spells at other local clubs Leigh has returned to Ware and is now adding to his 33 earlier appearances.

HARLEY HAAG - FORWARD

A striker who first joined Ware in our Southern League season of 2015/6 making ten appearances and scoring two goals. He rejoined Ware under John Dreyer and scored the only goal of the game at Witham on his second appearance. He is the son of former Ware scorer Kelly Haag.

CALLUM TAYLOR - FORWARD

Callum, a striker, has joined us on loan from Royston Town.

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

23 years on from the landmark introduction of the Bosman rule, last week saw another instance of player power carving into football's status quo with Denmark players holding a strike over their commercial rights.

The holdout by the likes of Christian Eriksen, Kasper Schmeichel and Lasse Schone was the result of an in-house conflict between players and the Danish FA over their own individual sponsor deals and the national team sponsor, Hummel.

The dispute saw the Danish FA resort to calling up players from the third tier of its football pyramid as well as futsal players for the international friendly against a full-strength Slovakia side.

All the talk was whether the Denmark FA (DBU) could save face and reach a middle ground before the match in Trnava as well as a competitive match which followed against Wales. For the first match, they couldn't.

Ticket prices for the Slovakia game were slashed to €1 and, with little to be expected from their team, Denmark's makeshift side was defeated 3-0. Which isn't exactly a drubbing by any means for a team hastily assembled like a Frankenstein.

Humiliation for the DBU was averted in time for the UEFA Nations League clash with Wales on Sunday. Out of a situation spawned from the politics of sports business, let's not forget that the players from the third tier have a national team cap.

When speaking to players from our own lower leagues who have won England C honours, they describe it as a 'very proud moment' to represent your country and a 'privilege'.

Here are three other times football has been downright barmy.

Robert Hoyzer and Germany's referee fixing scandal – 2005

German official Robert Hoyzer came under the microscope from the powers at the DFB after a cup match involving Hamburg and Paderborn when he awarded two penalties and also sent off a Hamburg player.

Having initially pleaded his innocence, Hoyzer then confessed to being complicit in a £1.1m scandal which went beyond the German Cup and also affected the Bundesliga 2 and third division Regionalliga leagues.

An organised crime faction from Croatia as behind the rigging of the betting market which threatened the integrity of the FIFA World Cup Germany was set to host less than 12 months on from the court proceedings against Hoyzer and other officials and players implicated in the scandal.

Hoyzer was banned from football for life and sentenced to two-and-a-half years in prison, while five others were also handed custodial sentences.

Roy Keane slurs manager Mick McCarthy ahead of Ireland's World Cup in Japan – 2002

A difference in opinion which derailed Ireland's World Cup preparations for the World Cup in Japan and South Korea. Midfielder Keane saw no reason to bite his tongue over the way manager Mick McCarthy had led to team to only the third World Cup in the country's history.

In a row at a pre-tournament training camp, Keane ranted at McCarthy in front of his team-mates calling the manager "a liar" and a "f***** w*****".

Goalkeeper Shay Given described the exchange as a "a total destruction of Mick, personally and professionally".

Keane was sent home from the camp in disgrace and wouldn't feature at the World Cup. Draws against Cameroon and Germany and a 3-0 win over Saudi Arabia led to the Irish progressing to the Round of 16, where they met Spain and lost on penalties 3-2.

McCarthy was sacked after the tournament and Ireland have failed to reach a World Cup since.

10 players sent off after mass brawl – Vitoria v Bahia, 2018

There's something about South American football and short-fused tempers. No surprises then when a yellow card was brandished within the first minute of play between Brazil top-flight rivals Vitoria and Bahia.

Despite a flurry of yellow cards nothing appeared out of the ordinary during a first-half display which saw Vitoria hold the lead 1-0 at the interval. This was the first time in three seasons sets of supporters from both teams were allowed to attend the match. But it was on the pitch not in the stands that the match would descend into chaos.

Four minutes into the second half a converted penalty by Bahia's Vinicius led to a 'crude' celebration in front of the opponent's supporters, something Vitoria goalkeeper Fernando Miguel didn't take too kindly to. And after confronting Vinicius he was backed up in violent ways by his team-mates who unloaded punches on their opponents.

The furore was brought under control after 16 minutes when the referee dismissed a total of eight players; five from Bahia and three from Vitoria.

Incredibly, the match went on but it would not last the full 90 minutes as on the verge of the 80th minute as two more players were shown red cards, reducing Vitoria to six players and leading to the match being abandoned.

Save the Children

Isthmian League and Save the Children announce 2018-19 partnership

The Isthmian League and Save the Children are delighted to announce a partnership for this season.

This is the latest charity partnership entered into by The Isthmian League- and as part of the relationship the League are making the charity the title partner of their well respected Youth League, as well as the Youth League Cup.

Save the Children is the world's leading independent children's organisation whose vision is a world in which every child doesn't just survive, but thrives, and can go on to change the world. They stand side by side with children in the toughest places to be a child, doing whatever it takes to make sure they survive, get protection when they're in danger, and have the chance to learn.

Nick Robinson, The Isthmian League chairman commented:

"As part of our charity commitment this year we want to highlight the plight of children throughout the world and to underscore the work which Save the Children has carried out for 100 years. Our Clubs are committed to community work and the League Board feel that this is an excellent way in which Clubs can demonstrate their commitment to their communities and help children not just in their immediate community but throughout the world. It is appropriate that we re-name our Youth League for this season and hope that all the Clubs connected with The Isthmian League will show their commitment to such a fine cause".

Laura Skinner, Senior Partnerships Manager, from Save the Children said:

"We're hugely honoured and excited to be partnered with The Isthmian League for their 2018-19 season. Throughout the year, Clubs will be getting involved through a variety of fundraising activities including match day collections and the charity's much-loved Christmas Jumper Day. This will help us to continue our vital work around the world and in the UK, making sure every child survives, is protected from harm and given the chance to learn and thrive".
